I've been trying to get this working for a long while now, and I've been needing to reset my oil light for almost as long. I have the BMW Scanner 1.4.0 OBD device along with a pac-man 21 pin adapter for my '99 528i, and I cannot get the drivers installed correctly. Every time I open the program, it shows that the device isn't connected, but the driver are installed.
