It made me realize that I had a few walnut trees (and unfortunately worked closely with a pretty big one) in my school that I spent time with, and they were turning me into one as well. Reading this brought it to my attention and really made me value those marigolds in my life, and the increased awareness helped me start working on getting rid of those negative tendencies in my own attitude ...

Jacob Hiller wasn't born a "natural" jumper. In High School he measured a 19" vertical leap at tryouts and barely made the team. Today he jumps over 40" and is one of the most sought after vertical jump specialists in the world. To date he has trained Amateur, Pro and Olympic level athletes in over 65 different countries.

She was tall and lean, with black hair which fell in heavy braids over either shoulder, a low white forehead, the reddest of lips, and huge gray eyes set deep below boldly curved brows. She was not beautiful. But there was about her something best described as a deep, luminous vivacity—something like an open, clashing response to the free life, the wild life, the clean life—the hills. And ...
